Please accept this letter as an indication that I would like to be a member of Operation Restore Hope. I understand that as a financial member I am entitled to vote at annual meetings. Lifetime membership is also available at a one time fee of \$100. I understand that these monies will be applied to our medical relief efforts in the Philippines to assist children with birth defects and deformities. To date no monies are applied to salaries or administration and members will be made aware should this situation ever change. Thank you for the opportunity to help me to help children in the Philippines, who without the assistance of charity would go unaided.
